

Explanation of School and Community Service Program

Last year, a committee of teachers, administrators, parents and students formulated a goal for students at BHS. It states: *“Each student will complete a school or community service project each year.”* This goal arose from the belief: *“Students learn the basics of good citizenship by understanding the rights of others and accepting personal responsibility for the school and the community.”*

To achieve this goal, all students at BHS are encouraged to engage in school and community service activities each year as follows:

Year*	Hours
Freshman Year	5 hours
Sophomore Year	10 hours
Junior Year	10 hours
Senior Year	10 hours

*A year will be understood as that time period from June 1 of the summer preceding until May 1 of the graded year. (For instance, a freshman may count hours engaged in an activity the summer before they actually begin classes at Brentwood High School toward the Freshmen year total.

School and Community Service Program

What is School and Community Service?

School and Community service is defined as any activity a student performs for a non-profit organization that is intended to benefit someone other than themselves and:

- 1) for which they receive no material or monetary reward, or academic credit;
- 2) is not an entertainment or performance activity that is an extension of a class or co-curricular requirement;
- 3) is not performed for a family member, except in certain extenuating circumstances and pre-approved by the school's service coordinator and the appropriate assistant principal;
- 4) is not direct participation in a worship service; and
- 5) is not mandated by court or school official for disciplinary reasons.

Criteria to Establish an Activity as Service Credit...

- 1) Activities not performed for a non-profit organization may be approved at the discretion of the school's Service Coordinator and appropriate administrator.
- 2) Activities required for membership or advancement in an organization may be used to meet service requirements.
- 3) Students in the BHS Service Learning course may only apply those hours **above** the required hours for course credit.
- 4) Activities that are not a direct part of a worship service, such as baby-sitting during a worship service, working a Vacation Bible School, parking cars at a church event, etc., may be used to meet service requirements.

Reasons for School and Community Service:

- 1) Enhance job and social skills.
- 2) Strengthen college applications.
- 3) Character development.
- 4) Natural response to human needs.

The following list contains **suggestions** and resources to assist students in getting started on a school or community service activity:

Work on a benefit concert or program to help someone in need	
Education and/or Church program of your choice	
Mission Trip / Disaster Relief	
Freshmen Mentors	
Student Senate	
Tutoring through Mu Alpha Theta, NHS, the learning lab	
Scouting, Youth Group, Key Club, or Interact Club service activities.	
Boys and Girls Clubs	794-4800
Brentwood Library	371-0090 ext. 886
Williamson County Habitat for Humanity	690-8090 (Ext. 101)
Nashville Rescue Mission	255-2475
Children's Hospital at Vanderbilt	322-2379
Williamson County Fair	794-4386
Williamson County Parks and Recreation	790-5719
Williamson County	790-5785
