

**Crockett Elementary Dismissal
Lower Loop-3:30PM
Front of Crockett Elementary School
Grades K, 1 and their siblings**

Dismissal Procedures

- Each family will receive a Crockett Elementary School car tag to hang from your rear view mirror in your car. **This must be displayed at all times when picking up students. For the safety of all students we will not release children to cars without one of these car tags. You will be asked to park and come inside to verify dismissal.** (Contact the office if you need more than one tag) **We appreciate your patience as we initiate this new process.**
- **Individuals** picking up **Kindergarten, 1st grade students and their siblings** in the afternoon are required to form **two** lines, as shown in the diagram above.
- Drivers should pull forward completely as directed. **All cars must be turned off.**
- Individuals picking up students **must remain beside the car** and the students will come to the car.
- Only the cars in the designated loading area will be allowed to obtain students.
- If the student being picked up is **not** out at dismissal, the driver must circle around again to load with the next group. **Do not leave your car.**
- Once students are safely in the cars, a member of the faculty will dismiss the lines.
- **Do not change lanes.**
- After the first group of cars has left the dismissal area, all remaining drivers should **remain in the cars** and proceed forward until directed to stop and turn off engines.
- Only handicapped vehicles and Crockett Staff are allowed to park in the parking lot during dismissal time. **All other cars parked in this lot will be allowed to leave only after car riders have been dismissed.**
