

Dear Senior Parents,

Sept. 19, 2009

The CHS Yearbook staff is ready for all those beautiful Senior Ads many of you have been waiting for. The ads are not limited to baby photos. The staff is experienced in designing, so please send in your photos and text.

Please label your photographs clearly with the students name and type or print your message more clearly so that the editing process will go more smoothly. Also, use post-it notes to show where you would like your picture cropped. Do not cut them yourself.. If you are **technically equipped**, you may scan your photos. Please make sure to size them as least 5x7 inches at 300 dpi and send them in on a CD. Do not scan pictures and send us the printout.

Thank you for your submissions as we are looking forward to creating a quality book your family will treasure. Ms. Chessor and Mrs Smith will be collecting the ads through October 15th and that has to be the last day. We are going to account for all our pages over fall break.

We can send you a PDF file of your proof for your approval. Make sure to give us an email address!

Please send submissions to
