

## Principal's Corner

Our school Thanksgiving lunch is this Friday, November 20th. We hope that you can come and have lunch with your child on this special occasion. In order to help us keep the lunch line moving, keep the school secure, and keep our students' academic day uninterrupted, we do ask that you help us in the following ways:

- Please have a picture ID ready to show **if requested**
- If possible, bring the correct change - \$5.00
- If you want to eat with more than one child, please plan to eat at the designated time for each child. (lunch schedule is included in this newsletter)
- For security reasons, guests will be allowed only in the lobby and cafeteria areas.

We want everyone to enjoy a safe and happy Thanksgiving lunch together, and we appreciate your sharing this information with any guests who will be accompanying you to school for lunch. We look forward to seeing you Friday!

## Afternoon Car Rider Line

HELP! Our early childhood (three year old) students come in from the playground every day at 3:00. When there are already cars in the car rider line behind the school, it is difficult (and scary for teachers), to walk these students across the driveway in the back of the school. Since the car rider line gate does not even open until 3:15, it would really help us keep our youngest students safe if you will wait until after 3:00 to arrive at school for the car rider line. Thanks for your help.

## HAWK News

### Counselor's Corner

#### Don't Worry, Be Happy

Life Skill Classes in grades 2, 3 and 5 have recently had lessons to address lessons about worries and anxiety. It seems so many of us and our students are worried and "STRESSED OUT" about so many things. The lessons focused on what worries us, how and where we feel the stress in our bodies and things we can do to help ourselves feel better.

We talked about slow deep breathes, taking a walk, going on a "Brain Break" to our favorite place, laughing, talking to a friend or a trusted adult about what worries us, and several other things. Students shared lots of things they did to help themselves feel better. Then, we all listened to the song that many had heard a FISH sing. "Don't Worry.. Be Happy!"

#### Coats

If your child received a new coat this week, it was from the Westview United Methodist Church. You can send your thank you note to me and I will forward it to them.

More Coats and shoes will arrive soon from Franklin Auxiliary.

#### Nurse Notes

Just a reminder that over the counter medications, including cough drops, need to be brought to the clinic by parents and a permission form will need to be filled out before any medication can

be given. Please do not sent any medication with students in backpack.

As always, remember good handwashing will help prevent the spread of germs. Keep up the good work!

#### Need to Know

This Thursday, November 19th is FES night at Pizza Hut. If you go by from 4:00—9:00 pm and ask them to dedicate your order to FES, we will receive 20% of all regular menu prices and 15% of dine-in and carry out orders. Thanks for making this a success.

#### PTO SPRING AUCTION

It's once again time to gear up for the FES Spring Auction! If you are interested in joining or chairing a committee, please join us on Thursday, November 19th at 8:45 am in the cafeteria. We will also have another small meeting that afternoon at 6:00 pm right before the PTO meeting. Hope to see you there.
