

Hello, I'm Cindy Davis.

I was born and raised in Williamson County. I graduated from Fred J. Page High, Columbia State Community College, and Middle Tennessee State University.

I have received the following degrees: Associates Degree in General Studies, Bachelor's Degree in Education, Masters in Curriculum and Instruction, and an Education Specialist Degree in Administration and Supervision.

I have taught ESL (interim) at Kenrose Elem., 7th grade (3 years) at Fairview Middle, 5th grade (4 years) at Chapman's Retreat Elem., and 2nd grade (2 years) at Longview Elem. I have also served as a lead mentor (3 years). I am humbled to have received "Teacher of the Year" at Chapman's Retreat Elem. in 2007. I am very excited about starting a new role as your assistant principal. I am very passionate about being a leader and advocate for children. I have met some of our students, parents, and teachers and I am excited about being a part of this learning community. I am "back home" again.

I live in Spring Hill and look forward to the completion and availability of 840! I do love the beautiful drive in the mornings; it is so peaceful!

When I am not at school I love spending time with my family (husband and daughter). I love playing and watching sports, teaching, singing, writing, and devoting my life to serving others.

Let's make this a fantastic year! I look forward to working with you.
