

Volunteer Opportunities

We held our 2nd annual Volunteer Orientation Breakfast on Sept. 1st but it is never too late for volunteers to get involved. Please feel free to call our wonderful volunteer coordinator, Kitty Powell at 799-9969, or email her at kpowell641@aol.com if you have questions about an event or volunteer opportunity listed below. Please print this sheet, check any item(s) that you might be interested in, and return this form to your child's teacher if you would like to get involved or receive emails from our PTO. Thanks in advance for your willingness and desire to volunteer at FES! We hope that you see just how much difference one parent can make in their child's educational success!!! When a lot give a little it makes a HUGE difference!!!
