

## FHS Parent Association Newsletter – April 2008

**Message from PA President, Amy Mauldin:** Last week Mrs. Dickerson, Pat Wills, and I met with Williamson County Director of Schools Dr. Rebecca Sharber and all the other incoming and outgoing high school Parent Association Presidents in the county. I was impressed by the efforts our Williamson County School System makes to communicate with us as parents. At the same time, I was reminded that as the Franklin High Parent Association we also try hard to relay as much information as we can to all the parents at FHS. But just like the WCS meeting, there is nothing like sitting in a meeting yourself and receiving information directly from the leadership. Therefore, I want to remind you that our Parent Association meetings are open to all parents. Mrs. Dickerson, Dr. Niemeyer or other principals attend every meeting, share information with us, and allow us the opportunity to ask them questions directly. I encourage you to take advantage of these opportunities.

In our meeting with Dr. Sharber, we also learned some news that will interest all FHS parents. First, FHS has been provided funding to pave the area on the south side of the school for a new parking lot. Hopefully this will be a reality by this fall. In addition, we learned that Franklin is the only high school in the county with the Project Graduation Program. The success of this program has generated a great deal of interest from other schools and parent associations. So please do not take Project Graduation for granted; donate items for the garage sale, donate gift cards or prizes. Although your child may not be a senior this year, their time will come. Finally, we learned that a slowing economy can also impact the tax revenues that support our school system. This makes our Parent Association fund-raising efforts even more important. Thanks to all of you who have donated to the Rebels With a Cause Campaign. There is still time for those of you who have not yet donated but would like to do so. Please put that on your list of tasks you would like to complete before the school year ends.
