

GMS Café

Come join us on **Monday, November 16 at 11:30 am** for our first *GMS Café* this year. Café is our Community Awareness Forum for parents, coaches and anyone interested in learning about the issues and struggles that face our middle school students. We will have Officer Richards, along with several detectives, discuss internet safety including Facebook, MySpace and texting. They will also talk about drug use and pornography among middle school children. Café will take place in the GMS library. Please mark your calendars for this very informative meeting on keeping our middle school children safe.

**Attention sixth grade parents: Seating is limited!*

Due to limited space and the popularity of GMS Cafe, we can only admit the first 50 people. Please come early.
