

WILLIAMSON COUNTY ATHLETIC PHYSICALS

Principals, Athletic Directors, Coaches, and Parents:

It is that time of year again to participate in the annual sports physicals provided by STAR Physical Therapy, & The Bone and Joint Clinic.

We are pleased to inform you that the sports physicals are once again provided at no cost to the student-athlete.

In order for us to make this a smooth process for everyone involved; we ask for your assistance with the following:

- 1) **Please have at least (3) representatives from your given school attend the free sports physicals on their given date. Administrative as well as Coaches support help us to facilitate a positive experience for your student-athlete.**
- 2) **Please advise your athletes to arrive promptly for their assigned times. Student - Athletes that arrive earlier or later, than their assigned time will be unable to participate in the free sports physicals. It is very important that we maintain a timely schedule.**
- 3) **Information on sports physicals and the required forms can also be found at www.starptusa.com**
- 4) **Student – Athletes will also be REQUIRED to fill out the HIPPA release form. This can also be found at www.starptusa.com**
- 5) **Please advise the Parent/Guardian that they *MUST* fill out and sign the EMERGENCY CONTACT & RELEASE found back of the physical form. Please be sure to list ALL contact information. This should include home phone, and cell phones. The physical form *MUST* be completed PRIOR to receiving the sports physical. *ALL* student-athletes without completed forms will not be able to participate in the free sports physical.**
