The State of Tennessee provides twelve summer programs for gifted and talented high school students. These programs provide challenging and intensive learning experiences in these disciplines: Arts, Humanities, International Studies, Engineering, Science, Prospective Teachers, Scientific Exploration of Tennessee Heritage, Information Technology Leadership, and Agricultural Science.

Applications & Locations

Agricultural Sciences - [UT Martin](#)

Arts - [MTSU](#)

Computational Physics - [Austin Peay State University](#)

Emerging Technologies - [TN Technological University - Cookeville](#)

Engineering - [UT Knoxville](#)

Humanities - [UT Martin](#)

Information Technology Leadership - [TN Technological University - Cookeville](#)

International Studies - [University of Memphis](#)

Prospective Teachers - [UT Chattanooga](#)

Sciences - [UT Knoxville](#)

Scientific Exploration of Tennessee Heritage - [ETSU](#)

Scientific Models and Data Analysis - [East Tennessee State University](#)

Applications

- ✓ [Agricultural Sciences](#)  **NEW** for 2010
- ✓ [Arts](#)  **NEW** for 2010
- ✓ [Computational Physics](#)  **NEW** for 2010
- ✓ [Emerging Technologies](#)  **NEW** for 2010
- ✓ [Engineering](#)  **NEW** for 2010
- ✓ [Humanities](#)  **NEW** for 2010
- ✓ [Information Technology Leadership](#)  **NEW** for 2010
- ✓ [International Studies](#)  **NEW** for 2010
- ✓ [Prospective Teachers](#)  **NEW** for 2010
- ✓ [Sciences](#)  **NEW** for 2010
- ✓ [Scientific Exploration of Tennessee Heritage](#)  **NEW** for 2010
- ✓ [Scientific Models and Data Analysis](#)  **NEW** for 2010

THE GOVERNOR'S SCHOOLS OF TENNESSEE

1. **The School for the Agricultural Sciences** – May 23 - June 18, 2010 – held on the campus of The University of Tennessee at Martin – focuses on the importance of agriculture and natural resources to the state and national economy. Emphasis on experiential learning and laboratory exercises related to the agricultural sciences to include production agriculture, agricultural business enterprises and natural resources management. **Application deadline: postmarked by November 25, 2009.** <http://www.utm.edu/departments/caas/tgsas/>
2. **The School for the Arts** – June 6- July 2, 2010 – held on the campus of Middle Tennessee State University in Murfreesboro – only 30 miles from Nashville and the Tennessee Performing Arts Center, the Nashville Symphony Orchestra, Cheekwood Fine Arts Center, and world famous recording studios. **This year's application deadline for the School of the Arts has changed to November 6, 2009. A separate application for the School of the Arts is available on their website.** <http://www.gsfta.org>
3. **The School for Computational Physics** – May 30 - July 2, 2010 – held on the campus of Austin Peay State University in Clarksville – focuses on the application of computational methods to problems in all fields of science and engineering. The school will take advantage of our centralized location to NASA's Marshall Space Flight Center, Oak Ridge National Laboratory, and the National Center for Computational Engineering. **Application deadline: postmarked by December 15, 2009.** http://www.apsu.edu/governors_school
4. **The School for Emerging Technologies** – May 30 - July 3, 2010 – held on the campus of Tennessee Technological University in Cookeville – designed to stimulate interest in science, technology, engineering and mathematics through study of current topics in biotechnology, nanotechnology, information technology and other emerging technologies – includes field trips to emerging technology partner sites across the State. **Application deadline: postmarked by November 25, 2009.** <http://www.tntech.edu/et>
5. **The School for Engineering** – June 6 - July 10, 2010 – held on the campus of The University of Tennessee in Knoxville – focuses on engineering design and principles of biomedical engineering. **Application deadline: postmarked by November 25, 2009.** <http://govschool.utk.edu/>
6. **The School for the Humanities** – June 6 - July 3, 2010 – held on the campus of The University of Tennessee at Martin in the center of West Tennessee's rich cultural heritage. This program celebrates the expression of who we are, what we believe and the power of ideas in creating shared communities. **Application deadline: postmarked by November 25, 2009.** <http://www.utm.edu/departments/govschool>
7. **The School for Information Technology Leadership** – May 30 – July 3, 2010 – this school will be held on the campus of Tennessee Technological University in Cookeville – student their knowledge of information technology and business leadership by developing a business plan for an information technology-based business. **Application deadline: postmarked by December 15, 2009.** <http://www.tntech.edu/govschool>
8. **The School for International Studies** – June 6 - July 3, 2010 – held on the campus of The University of Memphis – in Memphis – in the heart of Tennessee's growing international corporate center on the banks of the Mississippi River – home to Federal Express, Holiday Inns, and Schering-Plough. **Application deadline: postmarked by November 25, 2009.** <http://cas.memphis.edu/govschool/>
9. **The School for Prospective Teachers** – May 31 - July 2, 2010 held on the campus of The University of Tennessee at Chattanooga – with access to schools and cultural attractions and events in the greater Chattanooga metropolitan area including the Tennessee Aquarium, river attractions and festivals. **Application deadline: postmarked by November 25, 2009.** <http://www.utc.edu/tpa>
10. **The School for the Sciences** – June 6 - July 10, 2010 – held on the campus of The University of Tennessee at Knoxville – provides an introduction to scientific reasoning and communication and an in-depth elective course in B biology, chemistry, mathematics or physics. **Application deadline: postmarked by November 25, 2009.** <http://govschool.utk.edu>
11. **The School for the Scientific Exploration of Tennessee Heritage** – May 30- July 2, 2010 – held on the campus of East Tennessee State University – in Johnson City – surrounded by the area where Tennessee's history actually began and only a few miles from Jonesborough, the state's oldest existing city. **Application deadline: postmarked by November 25, 2009.** <http://www.etsu.edu/cass/governors/default.asp>
12. **The School for Scientific Models and Data Analysis** – May 30 - July 2, 2010 – held on the campus of East Tennessee State University, close to the Gray Fossil Site and the Appalachian Trail, and home to several innovative interdisciplinary academic programs. **Application deadline: postmarked by November 25, 2009.** <http://www.etsu.edu/cas/math/mathexcellence/default.aspx>
