

To all current 5<sup>th</sup> grade students and parents of 5<sup>th</sup> grade students:

If you are planning to participate in athletics in middle school next school year, you will need a current physical (preferably dated after May 1<sup>st</sup>) on file before you will be allowed to try out. Baptist Sports Medicine is going to conduct physicals for all prospective middle school athletes. The cost of this physical is \$10. It is preferable for you to get the physical on the date slated for all prospective athletes from the middle school you will be attending. However, if you can not make it on the date your school is scheduled; you may attend one of the other locations to get your physical. The physicals will begin at 5:30. Please be there at 5:30 or shortly thereafter because the physicians will leave once every student present has been seen.

The dates, host school and middle schools to attend are listed below. If you have any questions, you may call Ralph Ringstaff at 472-4095.
