

Keep PAGE Turnin' Pages!

To encourage PHS students and faculty to read, we are asking for donations to purchase books and audio books for our library. (To assist you in your selection of a title, we have made mock-ups of books recommended for high school libraries. You will find a review of the book on the back of each mock-up. OR if you would prefer, we can make a selection for you on a subject of your choice.) Please visit the library to turn in this form and make your tax-deductible donation.
