

This Week At Page High School:

PTO Launches Annual "Invest in Your Child" Fundraiser

The Page High School PTO will once again sponsor "Invest in Your Child", our ONLY fundraiser for the 2009-2010 school year. Thanks to the generosity of our Page parents, last year's successful campaign helped the PTO purchase books and audio tapes for several departments, as well as lap top, a scanner, two LCD flat screen televisions for the cafeteria and commons which give our students daily communications and displays student achievements, and financially support the WIN program -- plus more, and this is all thanks to your generosity.

What we like about the Invest in Your Child Campaign is that it does NOT impose on your valuable time. An average \$50 donation per child will help us fulfill our goal. Please know that we are very sensitive to the economy and how it is affecting all of us and some of us more than others. We know that money is tight for families, for businesses, and for our school system and that's why we want you to know that **any amount you can share** with Page High School will be greatly appreciated.

The Invest in Your Child campaign, our only PTO fundraiser, is appealing because 100% of the funds go to Page High School and the money raised during the 2009-10 school year will be spent during this school year! The faster the money comes in, the faster we can begin purchasing the items and getting them into Page High School for our children's use! Senior parents we need your support too -- the money that is raised this fall will be used to purchase items for our children this school year - this will benefit your child.

We are off to a great start -- thanks so much to all of the wonderful families that made their contribution at Open House!! Please help us accomplish our goal by completing the form you picked up at Open House, or this one, and send it with your tax deductible donation to Page High PTO, ATTN: Invest in Your Child Campaign, 6281 Arno Rd., Franklin, TN 37064. **Thank you for supporting our children.**

Information from Page's Green Team:

This Saturday don't miss:

The Living Green Expo will highlight 55 environmentally conscious local business leaders, sponsors, and educators. These green business leaders can teach us how to live greener in areas like agriculture, energy, organic food and products, transportation, home building and remodeling, soil and water management, household items and more. Safer alternatives for things we use everyday: personal care, household, cosmetic and nutritional products.

Presentations:

9:30 AM Pam Quayson - IRS Tax Incentives for Going Green, 10:30 AM Tracy Dye - Solar Energy in Middle TN 11:30 AM Grant Dorris - Energy Efficient Home Construction

AND

Door Prizes throughout the day!
