

# Page High School Invest in Your Child Campaign -- NEEDS Your Support!!

On August 20th at Open House, the PTO kicked off the 2009-10 Invest in Your Child campaign. Open House response was fantastic, but we have so many more families that we NEED to become involved. In 2008-09 the money we raised through Invest in Your Child bought books, audio tapes, a lap top, a scanner, LCD flat screen televisions and more -- thanks for your past support!! Again this year our teachers and staff have a long wish list of items that won't be purchased with this year's county budget!! This is why we want and need YOUR support to help us accomplish a successful Invest in Your Child campaign!

Don't delay -- fill out the application below, write your check and drop it in the mail, drop it by the office, or have your child drop it by the office (with the envelope marked: PTO Invest in Your Child Campaign).

The PTO is sponsoring the Invest in Your Child campaign as our ONLY PTO fundraiser for this school year and we ask that each Page High School family support this endeavor by making a tax-deductible contribution of \$50 or more per child. Please know that we realize money is tight for families, for businesses and for our school system and that is why we want you to know that ANY amount you can share with Page High School will be greatly appreciated.

The Invest in Your Child campaign is appealing because 100% of the funds go to Page High School and the money raised during the 2009-10 school year will be spent during this school year! The faster the money comes in -- the faster we can begin purchasing this equipment.

Please fill out the form below and send it to school with your student in an envelope marked: "PHS Invest in Your Child Campaign" or drop it in the mail to the address below. Either way, the quicker you get your donation to us, the quicker we can begin purchasing equipment. We look forward to receiving your donation and we appreciate your support of our children. Thank you!
