Middle and High School ParentConnection Participation Agreement 2009-2010

To the Parent/Guardian:

By completing the application for this account, you allow Williamson County Schools (WCS) to make your student's grades available to you by means of the Internet on a website that is secure and accessible only by a login and password. Only you will be able to see your student's grades. Others will not be able to see the information of your child - unless you share your password with them.

WCS will not make your username/password publicly available. The grades of your student posted on the website can be accessed only by someone who knows your username and password. You should share your username/password only with those whom you consider to have a legitimate interest in your child's grades. Also, there is a feature that allows you to change your username/password on the website. You may cancel this service by contacting the **ParentConnection** site manager of your child's campus.

Be aware, however, that disclosure by WCS, including the contents of the website, may occur in the event such information is required by a court subpoena, order, a decision or directive from the Attorney General's office, or other reason required by law. This is true for any educational record.

You understand and agree that WCS is not responsible for Internet access to your student's grade reports by persons who do not have your authorization or consent. By checking the "Agree" box below, you waive any claims or causes of action that you may have against WCS by reason of such unauthorized access.

Please remember that the grades that you see might not include all assignments or tests that have been completed by your child. As teachers complete the grading of assignments and tests, the teachers will update the report. If you have questions about any of these items, please contact the teacher.
