

Join this dynamic Club and get involved TODAY!

The Panther Athletic Club, PAC, is dedicated to supporting all athletics and promote student participation; school spirit and commitment to Page Middle athletics. Participating as an athlete and a fan...is a great way to foster the Page Middle community and show your Panther Pride....So Join Today!

PAC is dedicated to promoting and providing necessary sport program elements and school spirit as well as improving equipment and facilities for all sports programs that are not covered by the Athletic Department at PMS. We work with the Administration and our Coaches to provide needs and wants not covered by the Athletic Dept. Aside from membership fees, the PAC raises funds through various events, sponsorships, Spirit Apparel and donations. PAC is run by a Board of Page Parents. PAC is represented by one Administrator (Asst. Principal, Brian Nelson) and Athletic Director.

The Page Middle Athletic Department is run by Page Administration. Decisions related to teams, league participation, coaching personnel, scheduling and facilities are handled by the Administration not PAC. Funding for the Page athletic programs are a result of athletic event gate fees, athletic fees for each sport, donations, concessions, etc. **PAC does not handle any decisions nor do we receive any monies from any of the above mentioned.**
