BAND NEWS

MARCHING BAND

The Marching band plans to participate in several competitions this fall in the BANDS OF AMERICA (BOA) events in Richmond, Kentucky, Jacksonville, Alabama, Atlanta, Georgia, and at the Grand Nationals in Indianapolis, Indiana. Last year the band placed 35th out of 95 bands that participated. This coming year the bands goal is to finish in the top 25 in the country.

The Band will be continuing the AMERICAN FLAG PROGRAM this year. They will be out selling the program which shows the patriotic spirit of Brentwood, Franklin, and Nolensville. Last year we had over 500 homes participate, and this year our goal is over 750. You can join the program by going to www.ravenwoodband.com and clicking on the Flag Program, and signing up by paying with PayPal. The flags will go up on Memorial Day, Flag Day, 4th of July, and Labor Day. Any homeowner in the Ravenwood area is welcome to join the program.

TEAM 2013 - JUNIORS

TEAM 2013 NEWS

Congratulations, TEAM 2013 parents! Our rising JUNIOR class, with your help, accomplished a great deal during their sophomore year. Homecoming 2010, the Winter Formal (hosted by our class), teacher appreciation luncheons and our silent auction fundraiser were all a huge success. We truly appreciate your efforts on behalf of our students. After our Junior Class Red Letter Day on August 2, we will be preparing for an early homecoming week September 19 – 23. Please look for TEAM 2013 emails about how you can get involved with this year's homecoming festivities. We look forward to a busy and exciting junior year as we plan and host the Spring Prom at the Country Music Hall of Fame in April 2012. Have a relaxing and wonderful summer. See you in August!

DRIVERS ED

Centennial High School and Ravenwood High School Drivers Ed. Registration Form: Spring Program Spring of 2011

**Turn the last page of this form in with your payment of
\$300.00**

***Turn in the form and check to the front office of
Centennial High School –OR...**

Or Mail To:
Centennial High School
c/o Don Kirby
5050 Mallory Lane
Franklin, TN 37064

Parents: By signing the third page of the registration form you agree to, and understand all the terms and conditions on both pages of this registration form. The cost of the class is \$300.00. Make checks out to Centennial High School.

Fifty dollars of the registration fee is non-refundable. Make sure you can commit to the class dates before signing up.

Drivers Education involves two phases.

***Phase one is the class portion begins Tuesday, Feb. 22 and will continue until Wednesday, March 16. (The class meets every school day.)**

Class Information:

- 1. The class will meet from 3:00-4:45**
- 2. Students should bring with them; writing utensils, paper, folder, and a sack lunch.**
- 3. All school rules apply.**
- 4. The class will meet in a room (TBA) at Ravenwood High School.**
- 5. Students must not be late for class.**
- 6. Attendance to all class sessions is mandatory to receive credit.**

***Phase two is the driving time.**

-The driving phase usually takes 6 school days for each student. (2:45-4:45 each day)

-Students will Sign Up for a Driving Time during the last day of the Class Phase
Students sign up for driving times during the class phase. During the driving phase we will try to cover all the different driving situations. We will also take breaks about every hour to stretch legs, use the restroom, etc.... We usually drive in the Williamson, Southern Davidson, and Northern Maury County areas. Since I live in Spring Hill we do a lot of driving in that area, mainly because the traffic in Spring Hill is not as heavy. It will be my decision if the student is ready for expressway driving. If we do not drive on the expressway it does not mean the student failed the class. It simply means that I feel that the risk is too great in relation to the student's experience and car control.

DRIVERS ED

Information:

1. There are rare occasions when I must cancel the driving time because of: illness, car problems, inclement weather, or an unscheduled meeting. I will try to have all students driven in a timely manner, however there are occasions when we have to adjust the calendar.
2. Please remember that I usually do not drive on the weekends (family time). If a drivers ed student cancels it must be for a really good reason. Remember that if the student does not show up for the driving phase then they will be pushed back in the calendar. Extracurricular activities, work schedule, and other activities are not a reason to miss the driving session or the class session and will be counted as unexcused absence.
3. All Drivers Education instructors reserve the right to expel students from the class for inappropriate behavior, non-compliance, or blatant non-productivity. Exhibiting a positive attitude at all times is highly important. In fact, most drivers' education experts agree that this is the most important issue in the driving task. Students will be asked to sign a driving guideline sheet before their driving time begins. It must be understood that students must follow Mr. Kirby's commands; period. If a student does not follow commands, becomes complacent, or simply begins to exhibit a bad attitude the driving segment will end and the student will not receive either a grade or a certificate of completion.
4. Attendance to all class times is mandatory. If there is an extracurricular activity which conflicts with Drivers Education, then the student needs to take the class some other time. Missing class results in a failing grade. Showing up late to class will result in a loss of points. Habitual tardiness will result in a failing grade.
5. All students must pass the class phase with at least an 70 average before moving to the second phase (driving phase).
6. Students need to bring the following with them to class each day: writing utensil, driver's ed. folder, paper, and sack lunch.
7. All regular school rules apply. See the Centennial Code of Conduct.
8. Areas covered in the class are: The Driving Task; Signs, Signals, and Roadway Markings; Basic Vehicle Control; Managing Risk; Natural Laws and The Car; Performing Basic Vehicle Maneuvers; Negotiating Intersections; Sharing the Roadway; Driving in Urban and Rural Situations; Driving on Expressways; Driving in Adverse Conditions; Handling Emergencies; Effects of Driver Condition; Buying and Owning a Vehicle; Maintaining Your Vehicle; Planning Your Travel.
9. There will be special speakers who present information to the students. An attorney, an insurance broker, and a health expert will be lecturing in the class. Students are expected to take notes and give the speaker their complete attention.
10. We are not sanctioned by the state of Tennessee to administer the written and driving test for either a permit or license.
11. Students **do not** have to possess a driving permit to take the class or to drive with me. I do encourage the students to obtain a permit as soon as possible so that they can continue to practice.

If you have any further questions or concerns I may be contacted by e-mail at:

- On the back of this form please describe any physical, emotional, psychological issues that need to be presented to the Drivers Education Instructor.
- Passing Drivers Education does not mean that students are ready for any driving situation. Parents must continue to teach and model good driving habits after the completion of this class. The most important ingredient to safe driving is one's attitude.

Parents: By signing here you accept and understand all the information on both pages (1 & 2) of this registration form. **You also understand that \$50.00 of the \$300.00 registration fee is non-refundable.
