

# Professional Growth Plan 2009-2010 School Year

This plan is to be submitted to the principal in the spring and kept on file in the school office. Plans may be revised with approval of the principal. Staff development activities listed must be pre-approved by the principal.

Teacher Name: \_\_\_\_\_

School: \_\_\_\_\_

Williamson County Schools' Board of Education requires 8 days of professional development. The district has assigned the following days to meet this requirement. These days are:

1. August 7, 2009 – District-wide Professional Development Day
2. August 10, 2009- Site Based Professional Development Day
3. October 20, 2009 - Site Based Professional Development Day
4. February 15, 2010 – District-wide Professional Development Day
5. March 8, 2010 - Site Based Professional Development Day

The following three days must be completed outside the school calendar prior to **May 24th, 2010**. However, every attempt should be made to have them completed by April 1, 2010.

**Please include the title, date and hours.**
