➤➤➤ Larry Gann, Counselor

Add school counselors to the list of people you can turn to when you need help. They know how to listen and can help kids with life's challenges. Counselors have special training in how to help kids solve problems, make decisions, and stand up for themselves.

MEET THE COUNSELOR

My name is Larry Gann. I came to Trinity in 2000 and enjoy working with the students, staff and community and consider it a privilege to serve as counselor.

In my free time, I enjoy spending time with family, friends and my dog Jacob. Travel, reading and gardening are my passions.

I have a Master's Degree and school counseling certification from Middle Tennessee State University and I am a member of the Tennessee School Counseling Association.
