Ordering school supplies through WGES's PTA Schoolkidz Program allows all students to be prepared with supplies that are alike and that meet the specifications of our teaching teams.

**The PTA will only sell school supply kits during the 30-day period March 24 through April 23 due to sales tax regulations for the state of Tennessee. After that date, parents may go to [www.BuildaKit.net](http://www.BuildaKit.net) for the opportunity to order a kit similar to the one available through the PTA. Please note that all items offered by the Staples Schoolkidz Program are not available at the "Build a Kit" website.**
