

A Message from Ms. Fizer

Woodland Middle School promotes excellence in education! Students are clustered in teams to give them a sense of belonging and family. The quality of education and the attention afforded each student is a constant!!

We continually work on strategies to further improve some of the top scores in the state. We are working on differentiating curriculum within the classroom, increasing technology and multimedia opportunities, and promoting reading and writing proficiency.

There are many outlets for extracurricular activities and parental involvement is at an all time high. We are fortunate to have great teachers, students and parents!

A handwritten signature in black ink that reads "Priscilla C. Fizer". The signature is written in a cursive style.
