

## **Bethesda Singing Dragons Chorus**

“The Singing Dragons” is an extra-curricular choral group open to all 4th and 5th grade students who love to sing and have FUN! Participants will gain a deeper knowledge and practice good singing techniques, listening skills, musicality, and team-work. Each year, The Singing Dragons prepare a Holiday concert for December, and a spring concert which is usually in April or May. Traditionally, our spring concert has been a combined effort with the choirs from four other WCS elementary schools in the area, giving students the great opportunity to meet new friends, and to sing under the direction of other choral directors as well.

The Singing Dragons rehearse one morning per week before school at 7:45 A.M., (extra rehearsal time is sometimes added into the schedule closer to concert time if needed). If your child chooses to join the Bethesda Singing Dragons, consistent attendance is expected, and we have a behavior contract that all participants must sign and agree to. Please look for more information and details to come soon! Feel free to email Rachel Ratajeski at [rachelr@wcs.edu](mailto:rachelr@wcs.edu) with any further questions!
