Parent Teacher Organization

Mission Possible

Dear BMS Parents:

We are looking forward to another great year at Brentwood Middle School! We can make it even better with your participation in the “**Mission Possible**” fundraising effort. Our annual fundraising drive kicks off now! It is up and live on the PTOBMS.ORG website for you to access now and give online. Our goal this year is to have all families participate and raise at least \$105,000. **The suggested donation is \$150 per child, but we will gladly accept any amount you can contribute.** If each family participates we will exceed this goal!

Brentwood Middle School provides an outstanding education for our children. Funds raised during the “Mission Possible” campaign provide students with technology, equipment, materials, and programs beyond what Williamson County funding can provide. These additional resources are important tools that enhance our children’s learning and help them succeed! “Mission Possible” is the only fundraising campaign conducted by the BMS PTO during the school year.

With the money that was contributed from past Mission Possible campaigns, we funded the following items:

- A mobile computer lab designated for research in language arts for all grade levels
- Replacement of aging promethean and smart boards
- Guitars and supplies for our new guitar class.
- Support for the Beautify Brentwood Middle School effort which will enhance hallways and parent/student meeting spaces and will make BMS more inviting to all.
- Positive Behavior and Intervention and Support Program which provides PBIS “stores,” drawings, and reward parties for students who exhibit the key attributes of Respect, Responsibility, and Diligence.
- Fine Arts equipment/materials
- After School Tutoring Program
- Parent Seminars on raising teens and digital citizenship/social media
- 6 Outdoor Picnic Tables
- Help fund the new BMS entryway sign

We feel it is important for you to know that **100 percent of your investment is tax deductible** and will be used to enhance your child’s education during this school year. Please help us keep BMS a top-rated school by donating today! Donating online is now active at the PTOBMS.ORG website.

Thank you for supporting BMS with your donation!

Kori Bennett and Liz Jones
