Spirit Friday—Wear your Clovercroft T-Shirt

From Our Principal...

It has been a busy month. I have been seeing amazing things happening in the classrooms throughout the school and have also seen lots of parents volunteering and helping around Clovercroft! What a great community we have.

Just a few items that you will want to consider:

Report Cards—

K-2 - Report cards will go home in the envelopes either at the parent conferences on October 16th or on Friday October 17th.

Grades 3-5—we are now moving to an online report card. Your child’s report card will be available for you to view on Friday, October 17th through your family access log in. If you have not yet picked these up, they are available to pick up in the front office. Those log ins not picked up before conferences, will be handed out at conferences. If you would like a hard copy of the report card, please send a note in to your teacher so that we can accommodate your request. Please note that for this first report card we will be sending a copy to every parent of students grades 3-5, but are looking at only the digital copy in the future, so we ask that you use this one to make sure you have access.

Parent University (Oct. 16 and 23)—

We are offering 2 nights of our parent university during conferences again this year. Please plan to come as they are very informative classes.

Art with Mrs. Lee and Mrs. Davisson

**Kindergarteners** are reviewing the primary colors while they mix them to paint a seascape. They will use geometric shapes to cut out sailboats that are near and far in their seascape.

**1st graders** are showing their painting skills by painting a flower still life just like Van Gogh’s “Sunflowers”. They will mix paint and use several different brush strokes to complete this painting.

**2nd graders** are painting a picture of a peacock. They are studying the unique qualities of peacocks including the beautiful color palette seen in their feathers.

**3rd graders** are exploring the art of Gustav Klimt as they paint their own version of “The Tree of Life”. The final touches will be added with gold paint which is inspired by this famous artist’s work.

**4th graders** are learning the art of sumi-e, which means “ink painting” in Chinese. They will first prepare a warm or cool colored background. Then they will paint a bamboo plant using the sumi-e traditional brush strokes with a bamboo brush.

**5th graders** are exploring color families: primary, secondary, warm, cool, complimentary, and monochromatic while creating a colorful painting in the style of George Rodrigue’s blue dog paintings.

Music with Mrs. Baker & Mr. Prosise

Kindergarteners are developing their singing skills. This happens more when your child sings alone - so encourage your child to sing at home! First graders are studying upward and downward direction on pitched instruments and well as correct technique. Second graders are singing folk songs and adding simple instrumental accompaniments. Third graders are preparing for their performance in a new program called *Dig It! A Musical Tale of Ancient Civilizations*. Mark your calendars for November 20 at 6 p.m.! Fourth graders are continuing their study of the soprano recorder and the practice of using good technique. Fifth graders are reading basic notation and realizing that notation on various instruments.

*Mrs. Baker & Mr. Prosise*
In Life Skills we will be learning about our Character Key of Balance and the many ways that we seek to find balance in our lives; with friends and family, school work and play, activity and rest, listening and talking and the list goes on! Understanding and showing empathy is one way to promote balance in our lives because it helps us tune into our own and other peoples’ feelings so we can work to support both and find balance within our school, home and community worlds.

In K-3 we will be reading books and participating in activities related to "standing in someone’s shoes" to learn the importance of empathy in our many varied relationships.

The 4th and 5th graders will be also be learning about empathy and the ways we can work together for a greater good. We will read stories about kids who have made a difference as well as do activities to facilitate collective goals and working together.

**LIFE SKILLS NEWS:**

Our Clovercroft mission is to educate students to achieve academic excellence, empower them to reach their highest potential and to inspire them to contribute positively to our community. To support this mission, we focus on Living and Learning Above the Line every day. Our Colt Character Key for the month of October is BALANCE. The key of BALANCE is about being the best we can be. Being in alignment brings a quiet peace that is not always obvious. However, being out of alignment shouts loudly in our ears; and when we are out of balance we know it, and so does everyone around us. Check in with yourself daily. Ask yourself: What do I value? What’s really important to me? Does this need to be done right now? What are my priorities? We must care for our mind, body, and spirit to feel balanced.

Living what you value through your actions and words is important. Our goal is to live our mission statement more fully, increasing our practice and participation in serving our community. To do this, we are expanding our Colt Character Service Learning opportunities by touching more organizations with the kindness of our children and continuing to teach our children the value of caring for others. To do this, we need parents to be involved in our Colt Character Advisory Committee. If you are interested, contact Carrie Jones or Robin Bland.
News from our Special’s Teachers…

PE with Coach Clark, Coach Karlie and Coach Pearcy

Kindergarten - 2nd Grade
The Kindergarten - 2nd grade students will start their Baseball/Softball unit during the month of October. Students will learn about the skills of throwing, catching and hitting a baseball/softball. Lessons will be designed in a way that is grade level appropriate and challenging for each student's skill level. We will also play a modified game at the end of the unit to hopefully build confidence and interest for students to play and/or join a league outside of school. Also during the month of October students will be bowling here at Clovercroft Lanes. Students will learn correct bowling form and an overall understanding of the sport of bowling. We will conclude the month of October by playing some cooperative fall/autumn activities. We look forward to an exciting October!

3rd - 5th Grades
The 3rd - 5th grade students will continue working on their overall fitness during the month of October. We will also be working through our Baseball/Softball unit to correspond with the Major League Baseball Playoffs. Lessons will focus on offensive and defensive skills as well as game strategies. Students will be guided through lessons to hopefully give them the interest and confidence to join a team outside of school. In addition to our baseball/softball unit, the 3rd - 5th grade students will also be bowling at Clovercroft Lanes here at school. Classes will use math skills along with bowling skills to work together and have an overall better understanding of the sport of bowling. During the final week of October, classes will be involved in cooperative activities based on the season of fall/autumn.

Health
The Clovercroft health classes will be focusing on the digestive system during the month of October. Students will also be learning about the importance of physical activity and a variety of ways you can incorporate exercise in your daily activities.

Library Happenings with Mrs. Rook

Library Happenings
CCES students will be learning the following skills in the library this month:

Kindergarten-- Students are learning about the roles of an author and an illustrator. First grade-- Students are learning how to ask basic research questions and find answers in an informational text.

Second grade--Students are learning the purpose of a call number and how to find books in the Everybody section.

Third grade--Students are reviewing what types of book are in each section of the library as well as learning how to search OPAC to find specific books.

Fourth grade--Students are finding the main idea and supporting details in non-fiction books.

Fifth grade--Students are identifying an author’s opinion and citing evidence from the text to support the opinion.

Volunteer Opportunities

We know that your time is valuable and not everyone can volunteer but we have several volunteer opportunities that don’t take a big commitment or a lot of time. Please consider giving 30 minutes to 1 hour of your time once a month.

*Cafeteria Volunteers Still Needed!*
We are in need of cafeteria volunteers during the K-1 lunch periods. We need volunteers to help open milk cartons and pass out supplies. Shifts are only 30 minutes. Please consider giving just a few minutes of your time to help out our staff. Please click here: http://vols.pt/hitvFQ to sign up for Cafeteria Volunteers on @VolunteerSpot today!

*Library Volunteers Needed!*
We need your help in our library! If you have some time in your day and want to sign up here is the Volunteer link http://vols.pt/qWBDwu, or you can email before you come:
Susan Charrest
scharest71@hotmail.com or
Michele Rook at micheler@wcs.edu

*Cafeteria Volunteers Still Needed!*
We are in need of help in our workroom. The teachers heavily use this resource, staffed solely by parent volunteers, to get much of the copies done for their classroom.

If you have just one hour a week or one to two hours a month they would really appreciate your help in this way.
We have a volunteer link set up, and it makes it very easy to come in on a day/time that works for your schedule as well as send you reminders when your time is scheduled. http://vols.pt/RSEHWa

*Parents of Character Needed!*
New for your involvement this year is our Colt Character Advisory Committee. We would love to have you get involved if encouraging character development is a passion of yours. Our goal is to expand our Service Learning opportunities by touching more organizations with the kindness of our children and continuing to teach our children the value of caring for others.

We are hoping to have parents from every grade level represented on our committee. If you would like to be involved, please contact:
Carrie Jones - Carriej@wcs.edu
Robin Bland - Robin.Bland@wcs.edu

*Parents, want to know one of the best ways to stay informed about Williamson County Schools? INFOCUS, if you aren't currently getting it you can subscribe through the link below. There are also past editions available at that link. http://www.wcs.edu/infocus/*

*Youth Recreational Basketball*
It’s going to get cold soon & there’s still going to be lots of energy to burn! Sharpen your basketball skills or learn a new sport with East Williamson Athletics. Sign up at www.ewasports.com for recreational basketball (boys & girls, ages 5 - 17). Practices are at Clovercroft, Kenrose or Trinity Elementary and will start in November. Games take place at Williamson County schools on Saturdays starting in December. The registration fee is $140. Please contact Audrey & James Koss at audreycsun@hotmail.com for more information.

*Learning Express*
It’s never too late to start shopping for the holidays! Mark your calendars for Learning Express shopping day on November 5 & 6th. Learning Express will give Clovercroft back 10% of sales those

**City Savers:** Our City Saver fundraising campaign was a huge success! Thank you to all of our students and parents for participating in the campaign. You all did an amazing job. Clovercroft made $12,793.81 profit this year!

**Congrats to our TOP SELLING classes:**
Kindergarten: Mrs. Colasso, First: Mrs. Parker, Second: Mrs. Swartz, Third Mrs. McKeown, Fourth Mrs. Blad and Fifth Ms. Bahrke. These top selling classes met with Mr. Bond The Science Guy on September 29th and enjoyed this assembly.

**Our Pony Up and Invest in the Best** fundraising campaign is done and we have passed our goal! **Our amazing families have donated $31,269.74** to support and better our school. This is absolutely wonderful and something we can all be very proud of. If you didn’t get a chance to participate in our fundraiser and would still like to make a donation please send in your check at your convenience. Thank you for participating in this fundraiser and for doing it so generously!

***If you need a letter for your taxes from your Pony Up Invest is CCES donation please email Tina Whitlock at tinaraewhitlock@gmail.com

**Passive Fundraising:** We have several opportunities for our families to easily participate in our passive fundraising campaigns. Please participate in as many as you can!

**Publix:** Please remember to use your school Publix card when checking out. Publix will donate a percentage of the sale to Clovercroft Elementary every time a card is scanned.

**Target:** If you go to the Target website you can enroll your RED card in the Target Take Charge of Education Program. All you need to do is designate Clovercroft Elementary as your school of choice on the website. We now have 73 registered cards!! Way to go families! We would like to see this number go higher each month!

Great job sending in those box tops! Many teachers had well over a hundred that were turned in, but we still need more! Check your pantry and see if you can help us out. All you have to do is cut out the box top labels and send them in. Please make sure to write your child’s teacher’s name on the bag or envelope.

We have brand new winners for September!

Kindergarten: Mrs. Taylor 251
1st grade: Ms. Barnes 161
2nd grade: Mrs. Breedon 142
3rd grade: Mrs. Hickell 173
4th grade: Mrs. Wells 99
5th grade: Mrs. Brown 382

Each of these classes will be receiving a treat along with a trophy for the month. Way to go!

It’s a simple slogan. It’s easy to understand.

Now ask yourself if you are behaving this way.

Williamson County Schools has adopted this new slogan as a positive campaign to set
the tone in all school buildings. Every school has made t-shirts and has had signs
printed. Clovercroft is jumping on board with the new campaign!

All proceeds will benefit Clovercroft’s Anti-Bullying Program.
