Parent Input Form for 2015-2016 School Year

Parents,

It is hard to believe that we are already thinking about the 2015-2016 school year! As we begin to plan, I wanted to make this form available if you would like to give input about your child. Your input is valued and welcomed, but please do not request a specific teacher for next school year.

Thank you,
Kathy Lillard
Principal

Child’s Name: _____________________  Current Teacher: ____________  
Next year’s grade level: ____________

1.) How would you best describe your child? Please circle those that best apply and write in if needed

   Easygoing   Shy              ____________
   Sensitive   Anxious          ____________
   Outgoing    Competitive       ____________
   Relaxed     Impulsive         ____________
   Energetic   Cautious

2.) Name two to three characteristics that you feel that your child best responds to in his/her classroom environment.

   __________________________________________________________________________
   __________________________________________________________________________
   __________________________________________________________________________

3.) Please list any information that you feel would be beneficial for us to know when placing your child for next year.

   __________________________________________________________________________
