** The AP Capstone is a two-year program, comprised of AP Seminar for freshmen and AP Research for sophomores. AP Seminar is offered as an AP/humanities elective credit only, and must be taken in conjunction with English 9H. AP Research, the second year of the AP Capstone program, will replace the English 10 graduation requirement. Both years must be completed to be eligible for AP credit and English 10 credit.

*** Courses must be taken at Franklin Entrepreneurship and Innovation Campus
