Class Fee for Summer Session 2024 - \$300.00.

CLASS ENROLLMENT IS LIMITED TO 20 STUDENTS.

WCS Driver's Education class will begin **Tuesday, May 28, 2024**, at Brentwood High School. Classes will be held each weekday from 8:30 a.m. until 3:30 p.m. with classes ending on **Friday, May 31, 2024**.

Location: **Wellness Classroom**

The course consists of two parts: 30 classroom hours of instruction and 6 individual hours of supervised driving experience. Attendance for all 30 hours is mandatory, and parents should schedule appointments to avoid conflicts with the course dates provided (exceptions will be considered). Students will receive ½ academic course credit for successful completion of the Driver's Education course. Students are not required to attend Brentwood High School to enroll but must be available for all hours required by the instructor for completion of the course.

Students will have input toward their driving dates and times to accommodate their schedules.

To be eligible to take the class, the student must be 15 years old by the first day of class, a legal resident of Williamson County, and currently enrolled in a public Williamson County high school. Students are **not** required to have a learner's permit to participate in the Driver's Education course; however, it is strongly recommended that the student obtain a permit before the 6 hours of field driving experience.
