

Williamson County School Board policy requires students to have a current athletic physical from a medical provider on file with WCS in order to participate in any BMS extracurricular activity involving athletics.

All WCS athletic physical forms are now available through the FinalForms online dashboard at: <https://wcs-tn.finalforms.com/>

The only form families will be required to print, sign and UPLOAD is the physical form. This form is only available through the FinalForms dashboard, must be printed, completed, signed by a medical provider, and then uploaded (by the parent) to FinalForms. The only page needed to turn in is the one signed by the medical professional.

After the form is signed by a medical provider, then the form **MUST be uploaded to Final Forms.** WCS athletic departments will not accept paper copies of any other athletic forms or packets. All required forms must be completed online to be eligible for tryouts and participate in athletic programs or activities. Parents will automatically be notified when the child's forms and physical need to be updated.

For parents and students **RETURNING** to Williamson County Schools, your student's FinalForms password is the same password they use to log in to their school computer. If there is trouble signing in, they can click "Forgot Password" below the log in. A link will be sent to the student's WCS' Gmail account to reset it. After the physical is submitted, students must sign their own set of electronic forms, and parents must also sign their own set of forms. Emails will be sent from FinalForms with prompts for students and parents.

For parents and students **NEW** to Williamson County Schools (who have not yet been provided access to the FinalForms dashboard or given their WCS Gmail passwords), please contact athletic directors, Ben Hahs <benjamin.hahs@wcs.edu> or Dennis Harrison <dennish1@wcs.edu> for assistance.

Each physical from the student's medical provider is valid for one calendar year. The student's physical must be dated after April 15 of that school year. Our suggestion is to have your child's physical completed by a medical provider during the summer months. Once completed, the physical form can be uploaded to the FinalForm dashboard.

We thank you for your continued support of Brentwood Middle School Athletics! Go Vikings!

Sincerely,

Brentwood Middle School Athletics Administration
