

TSMS Clubs 2023-2024

The best way to enjoy middle school is to get involved. And clubs are a great way to get involved, have fun, and make new friends!

During the first few weeks of school, teachers will be advertising interest meetings for their clubs on the Morning Announcements. Consider signing up for these Express Sessions to learn more about each club and sign-up if you are interested. Staff led clubs typically meet during the school day, during Express, but some do require attending meetings outside of school. All students must have a signed parent permission form prior to joining in any club meetings or activities.

Don't see a club that fits your interests? Start your own!

Stop by the Counseling Office to get a Club Application and fill in the required information. Student led clubs must meet outside of the regular school day and require a staff member to sponsor. Your idea will need to be approved by Mr. Loudon and all members will need to have signed permission slips before they can participate.

These clubs are not led by teachers or school personnel. Club sponsors simply provide the space and supervision. All the clubs below were created and led by students.
