School-Parent Compact

*Learners Today... Leaders
Tomorrow*

What is a School-Parent Compact?

A School-Parent Compact is a written agreement among all members of a school learning community. It clearly defines the role of each member in an effort to afford the most productive, quality education possible for all students. The school learning community consists of teachers and other school personnel, parents, and students.

As active partners in the educational process of our students, we faithfully commit, and adhere to, the stated responsibilities within this compact.

Jointly Developed

Fairview Middle's School-Parent Compact was written in joint agreement by the School Leadership Team, the Title I School-Wide Committee, a team of parents, and student representatives from each grade level. Parents are invited to make suggestions and revisions to the compact at our annual Title I Night.

A copy of this compact is sent home with each student and a copy is accessible on our school website.

Building Partnerships

We firmly believe that a strong partnership between the school and the home is the key component for student success. It is of utmost importance that we work together to provide a safe, structured, and supportive environment for learning to take place at school and at home.

Communication About Student Learning

Fairview Middle teachers and staff communicate with parents regarding student learning on a regular basis. This communication is achieved through...

- School and Classroom Newsletters
- Skyward
- Phone and Email Conversations
- Progress Reports
- Report Cards
- R.T.I. Progress Letters
- Parent-Teacher Conferences
- BlackBoard Messages
- School Website

In the Classroom

The faculty and staff of Fairview Middle School will...

- provide a safe, loving learning environment for all students.
- treat each child with dignity and respect.
- provide quality, relevant instruction that meets the needs of all students.
- strive to engage every child in meaningful learning opportunities and provide support, remediation and enrichment as needed for success.
- communicate regularly with parents regarding academics, behavior, and school events.
- encourage students to reach their full potential.

At Home

The parent will...

- ensure that his/her child attends school each day and arrives on time.
- provide a quiet time and place for his/her child to complete school work and see that the work has been completed.
- support all subjects in a positive way; reading with his/her child at home, drilling Math facts, preparing for tests, etc.
- check folders and backpacks for schoolwork, notes from the teacher, newsletters, etc.
- support and reinforce all school/classroom rules and expectations.
- become actively involved in the education of his/her child.
