# Cafeteria News

Our PBIS team has developed cafeteria expectations that will keep our students safe and create a pleasant lunch environment for the whole school. Below is a list of the lunchroom expectations. We will review these rules at school and would appreciate if you could take a moment to talk with your child about how to make the best choices during their lunch time.

1. Enter and exit the cafeteria in a neat line on "Zone 0" voice.
2. Obtain all utensils and condiments before sitting down.
3. Purchase all items when you go through the line.
4. Clean up your area and gather all trash when your table is dismissed.
5. Stay in your seat with feet under the table and your hands to yourself.
6. Raise your hand and wait for permission before leaving your seat.
7. Listen to the cafeteria monitors.
8. Use proper table manners.
9. When lights are off, it is time for voices to be off.
10. NO toys, cards, squishies, or slime allowed at lunch.

Students will be given warnings at lunch. After the second warning, the student will be asked to sign the binder and a behavior sheet will come home with your child. If the student signs the binder 2 or more times in a week, he or she will have silent lunch on Friday and miss the movie day in the lunchroom. Please feel free to reach out to your child's homeroom teacher for more information!
