

Williamson County Board of Education

Monitoring: Review: Annually, in July	Descriptor Term: Planning and Zoning Authorities	Descriptor Code: 1.704	Issued Date:
		Rescinds: 1.704	Issued: 05/21/14

- 1 The Superintendent of Schools shall establish procedures to effect compliance with the law requiring
- 2 planning commission review of all plans for real property acquisition, new building construction, and
- 3 improvements to buildings.

- 4 It shall be the policy of the Board to strive to eliminate the encroachment of undesirable surroundings
- 5 and environment of present and future schools within the district.

- 6 The Board shall adopt a position relating to the re-zoning of property in the district if such re-zoning
- 7 would affect directly the operation of the school or schools, or the health, welfare and safety of
- 8 students and staff.
