VENDOR RELATIONS

1 No member of the Board or employees of the district will accept gifts from any person, group, or
2 entity doing, or desiring to do, business with the district; and all business-related gratuities are
3 specifically prohibited except nominal value advertising items widely distributed.
4

5 The school district wishes to maintain harmonious working relations with vendors who supply
6 materials, supplies, and services to the school system. Constructive efforts by the administration to
7 seek the advice and counsel of vendors concerning improvement of such relationships are
8 encouraged.
9

10 Vendors visiting the separate schools shall contact and secure the permission of the principal's
11 office prior to visiting professional staff members. Vendor visitations to schools shall not be
12 permitted to interfere with the normal instructional and learning process.

16 schools to have any pecuniary interest, directly or indirectly, in supplying books, maps, school
17 furniture, and/or apparatus to the public schools of the state, or to act as agent for any author,
18 publisher, bookseller, or dealer in such school furniture or apparatus on promise of reward for his
19 influence in recommending or procuring the use of any book, map, school apparatus, or furniture of
