FIRE PREVENTION

1 The quantity, locations, and condition of fire extinguishers shall be checked regularly and the State
2 Fire Marshall's minimal standards exceeded whenever possible. All school personnel shall receive
3 instructions in proper fire safety procedures.
4

5 The principal of the school shall assure that each teacher will participate in conducting monthly fire
6 drills, including full evacuation every month during the school year, with an additional fire drill within
7 the first 30 days of student attendance. Schools shall keep records available to the State Fire
8 Marshal upon request.
