

Williamson County Board of Education

**Adopted Date:**

3/19/01

Editorial 5/27/14

3.215

BOARD INSPECTIONS AND ACCEPTANCE

1 It shall be the policy of the Board that the acceptance of new construction be withheld until all
2 details are complete and the buildings are certified as complete by the Superintendent of Schools,
3 Architect of Record and State Fire Marshall's office.
4

5 Construction inspection by an independent party periodically throughout the process may be
6 provided if the Superintendent of Schools deems such to be desirable.
