ATHLETIC FACILITIES

1 The Williamson County Board of Education shall be responsible for establishing athletic facility
2 standards for all schools and ensuring that new school facilities meet those standards and that
3 current schools are brought up to those standards in an equitable manner. The Superintendent
4 of Schools or designee shall work to ensure that there is good communication and a close
5 working relationship between high school athletic directors and the coaches at their respective
6 feeder schools and that the following provisions are followed.
7

- 8
- 9 1. WCS middle schools shall have access to high school facilities.
- 10
- 11 2. All school athletic facilities shall be made available to organized community groups under
12 the provisions of Board Policy 3.206.
- 13
- 14 3. The school system shall work closely with the Williamson County Parks and Recreation
15 Department and share facilities.
- 16
- 17 4. The school system shall coordinate with the Parks and Recreation Department when
18 building new schools and include indoor/outdoor facilities and land to accommodate both
19 Parks and Recreation and other community-based program facilities when appropriate.
20
- 21
- 22 5. Individuals and booster clubs who wish to improve upon any athletic facility over and above
23 any minimum standards must submit the Building Modification Request to the school's
24 athletic director who will forward it to the school's principal for approval. The principal shall
25 seek input and approval from the District staff including the Deputy Superintendent who will
26 make a recommendation to the School Board regarding the proposed improvement. No
27 work on the project shall commence without the approval of the board.
28
- 29
- 30 6. No facility, building, equipment, or property of Williamson County School District shall be
31 available for personal, private, or for-profit use except as permitted under the provisions of
