

Williamson County Board of Education

Adopted Date:
2/19/01

3.601

STUDENT INSURANCE PROGRAM

1 Pupil accident insurance shall be made available for purchase by parents strictly on an optional
2 basis.

3
4 A commercial company shall be selected by bid by the Board which will offer a limited type
5 coverage in order that the premium will not be prohibitive to most pupils and parents.
6

7
8 No pressure shall be exerted on eligible students to purchase such insurance.
9

10 Applications and information brochures are to be sent home from school with the students during
11 the first few weeks of school. Details for coverage is to be explained in the brochures.
12

13 New students entering the school may subscribe to the insurance at the time of enrollment.
14

15 Files should be maintained at the school office, listing students subscribing to the plan.
