### **WCS Student Twitter Communication Permission**

All communication conducted electronically between a WCS employee and a student shall be for the purpose of official Williamson County Schools business. Student access to Twitter related to official WCS business may only take place with the written permission of the parent/guardian.

Your signature below gives permission for your child to communicate using Twitter with the authorized WCS employee indicated above within the guidelines established in both the Employee and Student Acceptable Use and Internet Safety Agreement. This does not include direct Twitter messages, but rather only @ mentions between a specific student Twitter handle and the official WCS Twitter account handle maintained by the WCS employee referenced above. Further, you are acknowledging that student Twitter accounts are not managed or monitored by Williamson County Schools.

The duration of the agreement is for the school year of the signature date.
