TEACHER ASSISTANTS

1 Teacher assistants shall be hired for the purpose of assisting professional personnel according to  
2 guidelines created by the Superintendent of Schools.  
3

4 Teacher Assistants shall primarily be under the direction of the school administration to assist in the  
5 effective and efficient operation of the school. Teacher Assistants may perform duties in the school  
6 as directed by the school administration without the direct supervision of a licensed teacher.
