PROMOTION - Classified

1 Promotional criteria shall include but shall not be limited to: experience, proven and potential
2 ability, interest, suitability, training and certification.
3

4 The Board stresses that promotion should be based upon the individual's likelihood of success in
5 the new job rather than as a reward for outstanding service in a past or current job. Promotional
6 considerations shall include the candidate's strengths as well as his weaknesses.
7

8
9 The process of selection shall be free from pressures considered detrimental to the best conduct of
10 the school program, based on the following principles:
11

- 12 1. Ability to fulfill the responsibilities of the position efficiently as judged by all pertinent
13 standards is the sole basis of selection.
- 14 2. The use of political, social or other pressures automatically disqualifies the applicant
15 for the position from any further consideration.
