PHYSICAL ASSAULT ON PERSONNEL

1 The Board will not tolerate physical assaults on any school personnel or Board member during their
2 job performance at school or on duty for school activities away from school. Any such assaults
3 should be reported to local law enforcement authorities by the individual and/or school Principal,
4 with charges filed as appropriate.
5

6 The Board will, through its attorney, assist the assaulted employee as to his/her rights as a result of
7 the assault, including, but not limited to, filing reports with the appropriate law enforcement
8 personnel and judicial authorities.
9

10 Whenever such an assault occurs, the person(s) committing such an assault will be personally
11 notified that he/she shall be suspended from the regular school program and banned from
12 attendance at any/all Williamson County School sponsored events for one full calendar year,
13 unless modified by the Superintendent of Schools. Any violation of such a ban will be considered
14 by the Board as an illegal trespass and the Board's designated representatives shall notify the
15 appropriate law enforcement agency and request the removal of that person from school-
16 sponsored events for the period of time in question.
17
18

19 It is further the policy of this Board to support and assist any employee who is assaulted in
20 prosecuting any person committing an assault and to encourage the court hearing the case to ban
21 the defendant from school-sponsored activities for a time the court deems appropriate as a part of
22 the sentence if there is a finding of guilt.
