TRANSFERS AND WITHDRAWALS

1 The Principal of any school accepting a student by transfer from another school by reason of the
2 family changing place of residence within a semester must satisfy himself that the family is actually
3 residing within the area served by his school before enrolling the student.
4

5 The Principal or his designated representative is authorized to transmit a transcript of the
6 academic record of a pupil to any other school to which the pupil transfers or to any college or
7 postsecondary institution to which the pupil applies for admission when the transcript is requested
8 by the receiving school or institution. The parent or guardian of the pupil will be notified that the
9 transcript is being sent. The cost for providing this service is to be borne by the party making the
10 request.
