The Board encourages the reporting party or complainant to use the report form available from the Principal of each school or available from the school system office. If a student reports sexual harassment to a teacher, the teacher must report the incident to the Principal as soon as reasonably practicable, but no later than the close of the school day in which the report is received. In cases subject to reporting under TCA 49-6-1601, the Principal must report the incident to the victim’s parents within 24 hours of receiving notice unless otherwise instructed by the Department of Children’s Services or law enforcement. In cases not subject to reporting under TCA 49-6-1601, the Principal must report the incident to the victim’s parents by no later than the school day following the day of the report.

A. In Each School – The school Principal is the person responsible for receiving oral or written reports of harassment or sexual harassment at the school level. Upon receipt of a report, the Principal must notify the Coordinator of Student and Employee Relations (as appointed by the Superintendent of Schools) immediately.
If the report was given verbally, the Principal shall reduce it to written form within 24 hours and forward it to the Coordinator of Student and Employee Relations. Failure to forward any harassment or sexual harassment report or complaint as provided herein will result in disciplinary action. If the complaint involves the school Principal, the complaint shall be filed directly with the Coordinator of Student and Employee Relations.

B. **System-wide** – Prior to June 30 each year, the Superintendent of Schools will designate the system’s Coordinator of Student and Employee Relations to receive reports or complaints of sexual harassment from any individual, employee or victim of harassment or sexual harassment and also from the school Principals as outlined above. This appointment will be made public at the next regular meeting of the Board of Education and will include the appointee’s name, office phone number and office mailing address. If the complaint involves the Coordinator of Student and Employee Relations, the complaint shall be filed directly with the Superintendent of Schools. If the complaint involves the Superintendent of Schools or the Williamson County Board of Education, the complaint shall be made to the School Board Attorney.

C. Submission of a complaint or report of harassment or sexual harassment will not affect the reporting individual’s future employment, grades or work assignment.

The school system will respect the confidentiality of the complainant and the individual(s) against whom the complaint is filed as much as possible, consistent with the school system’s legal obligations and the necessity to investigate allegations of harassment and take disciplinary action when the conduct has occurred.

**V. INVESTIGATION AND RECOMMENDATION**

By Board authority the Title IX Coordinator or the Coordinator of Student and Employee Relations, upon receipt of a report or complaint alleging harassment or sexual harassment, shall immediately authorize an internal investigation. This internal investigation shall be conducted by school officials, such as the principal or assistant principal at the school where the harassment is alleged to have occurred. The Title IX Coordinator or Superintendent of Schools may also designate or appoint a neutral third party to conduct the internal investigation. All investigators designated or appointed to conduct an internal investigation must receive training or have specific experience on how to conduct a sexual harassment investigation that complies with this policy and Title IX.

School officials shall move forward expeditiously with the internal investigation. Notwithstanding the foregoing, the internal investigation may be deferred at the direction of law enforcement or DCS if the reported incident is the subject of a DCS or criminal investigation. The temporary suspension of the internal investigation shall be for the minimum amount of time deemed necessary or until law enforcement or DCS advise school investigators that the internal investigation may move forward.

The investigators shall provide a written report of the status of the investigation as soon as possible, but no later than 14 days from the beginning of the investigation, to the Title IX Coordinator, the Coordinator of Student and Employee Relations, and the Superintendent of Schools or designee. The Title IX Coordinator or the Coordinator of Student and Employee Relations shall remain informed throughout the school investigation process and shall provide input to school investigators regarding the conduct of the investigation on an ongoing basis as appropriate to ensure compliance.

In determining whether alleged conduct constitutes harassment or sexual harassment, the surrounding circumstances, the nature of the sexual advances if sexual harassment is alleged, relationships between parties involved and the context in which the alleged incidents occurred shall be considered.

The investigators conducting the investigation shall objectively gather facts and evidence to maintain a neutral, impartial, and unbiased assessment. The investigation shall consist of, but not be limited to, personal interviews with the complainant, the individual(s) against whom the complaint is filed, and others...
who may have knowledge of the alleged incident(s) or circumstances giving rise to the complaint. Both the complaintant and the alleged harasser shall have opportunity to identify individuals with knowledge of relevant circumstances and submit evidence during the course of the investigation that supports their claims or defenses. The investigation shall also consist of any other methods and documents deemed pertinent by the investigator.

In addition, school investigators are authorized to take immediate steps to protect the complainant, students and employees pending completion of an investigation of alleged harassment or sexual harassment. For example, as appropriate to the situation, school officials may take steps to separate the complainant and the alleged harasser by adjusting class schedules, lunch schedules and extracurricular activities, increasing security for the victim, limiting contact between the complainant and the alleged harasser during the pendency of the investigation, providing counseling resources available through the school or the school district, or taking other such proactive action as necessary to ensure protection of the complainant and the alleged harasser pending completion of the investigation and thereafter.

Generally an investigation will be completed within sixty days of commencement (or within sixty days of authorization by law enforcement/DCS as outlined above). Should the investigation period exceed sixty days, written notification to the complainant and the alleged harasser of the reason for the delay shall be provided.

The Superintendent of Schools, Title IX Coordinator, or the Coordinator of Student and Employee Relations shall keep the complainant and the alleged harasser informed of the status of investigation process.

VI. SCHOOL DISTRICT ACTION
A. Immediately following the internal school investigation, the school investigators shall prepare a written report that sets forth its findings and recommendations. The written report will be forwarded to the Title IX Coordinator. A final determination regarding whether the complaint if substantiated, and what action shall be taken, shall be made at the school level by the School Principal or Assistant Principal, and if other than the school level, shall be made by the Superintendent of Schools or his designee.
B. The final determination shall be made based upon a preponderance of the evidence standard of proof (i.e., it is more likely than not that sexual harassment occurred). The Superintendent of Schools or his/her designee shall take such action as appropriate based on the result of the investigation.
C. The Superintendent of Schools, the Coordinator of Student and Employee Relations or the School Administration, as appropriate, shall promptly provide a written report regarding the result of the investigation of each complaint filed under these procedures in writing to the complainant and the alleged harasser. The report shall document any disciplinary action taken as a result of the complaint.
D. The Superintendent of Schools or the Coordinator of Student and Employee Relations shall require school officials to take other immediate steps as are necessary to prevent recurrence of the harassment.
E. Any complainant or accused harasser who is dissatisfied with the conclusions drawn as a result of the investigation may appeal the matter by following the grievance procedures outlined in Board of Education Policy 6.305.

VII. REPRISAL
The Superintendent of Schools shall discipline any individual who retaliates against any person who reports alleged incidents of harassment or sexual harassment (as defined in section II and III of this policy) or who retaliates against any person who testifies, assists or participates in an investigation, proceeding or hearing relating to a harassment or sexual harassment complaint. Retaliation includes, but is not limited to, any form of intimidation, reprisal or harassment, which creates a hostile environment.
VIII. RIGHT TO ALTERNATIVE COMPLAINT PROCEDURES

These procedures do not deny the right of any individual to pursue other avenues of recourse that may be available under state and/or federal law.

False accusations of harassment or sexual harassment (as defined in section II and III of this policy) can have a serious detrimental effect on innocent parties. Any person who knowingly and intentionally makes false accusations for any reason which would be contrary to the spirit and intent of this policy shall be subject to immediate and appropriate disciplinary action.

IX. SEXUAL HARASSMENT AS SEXUAL ABUSE

Under certain circumstances, sexual harassment may constitute sexual abuse as defined under Tennessee Law. In such situations, the school system shall comply with Tennessee Law regarding the reporting of suspected abuse to appropriate authorities.

X. DISCIPLINE

Any action taken pursuant to this policy will be consistent with requirements of federal law, Tennessee statutes, and school system policies. The Superintendent of Schools will take such disciplinary action deemed necessary and appropriate.

XI. POLICY DISTRIBUTION

A copy of the foregoing policy and reporting procedure shall be published in the Board’s Policy Manual, shall be included in each student handbook published by the school system, and shall be posted in a conspicuous place in each school building. Postings of the policy shall include the name(s) of the person(s) to whom reports should be directed.

Staff Development and student education will be provided by the school system.
