STUDENT PSYCHOLOGICAL SERVICES

1 The Williamson County Board of Education has a program for making psychological services  
2 available to its students. This program is designed to:

- 3
- 4 1. Promote the maximum personal, social, and academic adjustment of each student.
- 5
- 6 2. Provide teachers, administrators, and parents with consultative support in establishing
- 7 programs which meet the needs of the students.
- 8
- 9 3. Promote communication between the various components of the school system and
- 10 between the school and other agencies in the community.
- 11
- 12

13 Emphasize the prevention and / or early detection of social, emotional, or educational problems.
