FEES FOR COPIES OF RECORDS

1 The Williamson County School District will not deny parents/legal guardians or eligible student any rights to
2 copies of records because of the following published fees. Where the fee represents an unusual hardship, it
3 may be waived in part or entirely by the Principal or his designee. However, the district reserves the right to
4 make a charge for copies such as transcripts it forwards to potential employers or to colleges and
5 universities for employment or admission purposes. The school district may deny copies of records in the
6 following situations:

- 7
- 8 1. The student has an unpaid financial obligation to the school.
 - 9
 - 10 2. There is an unresolved disciplinary action against the student which warrants the denial of copies.
 - 11

12 Fees for copies provided under this policy will be set annually by the Superintendent of Schools.
