CONTESTS FOR STUDENTS

1 Participation in contests is optional with the individual school. While there is no intent to refuse to
2 cooperate with agencies sponsoring worthwhile contests, there is very definitely a desire to keep
3 such cooperation within reasonable bounds.
4

5 The following statements shall be a guide for determining participation in contests:
6

- 7 1. The primary educational aims of the schools and the needs and interests of

11
- 12 3. Schools shall not be used for direct sales promotion of an individual
13 competitive goods or services.
14
- 15 4. All materials or activities initiated by private sources shall be judged on
16 grounds of their direct contribution to educational values, factual accuracy
17 and good taste.
18
- 19 5. Consideration shall be given in all cases to protecting students and teachers
20 against unreasonable added work and responsibilities.
