

Notes

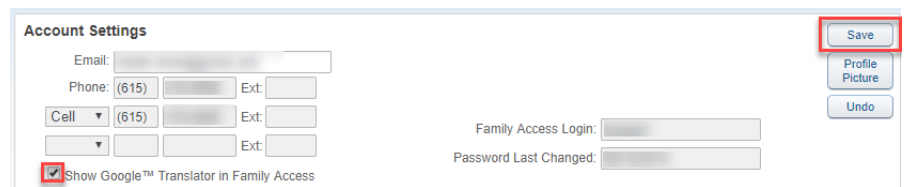

Skyward Family Access utilizes Google Translator to customize the displayed language. Changing displayed language is only available using a browser. This feature is not available in the app.

TURN ON GOOGLE TRANSLATOR

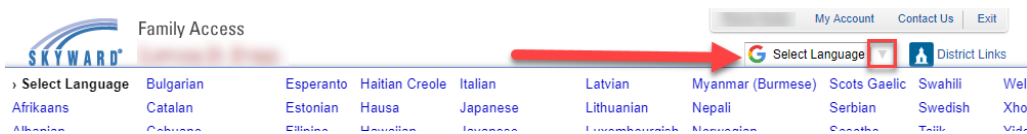

1. Login to your [Skyward Family Access Account](#).
2. Select **My Account**.

3. Check the box beside "Show Google Translator in Family Access".
4. Select **Save**.

5. In the upper, right corner use the Select Language drop-down to select desired language.

6. Family Access now displays in your chosen language.

TURN OFF GOOGLE TRANSLATOR

1. Remove the check in the box beside "Show Google Translator in Family Access".
2. Select **Save**.
