

Skyward Family Access Accounts and Password Resets

The [WCS Family Access agreement](#) should already be on file for the current year if you completed online registration. Information will be updated annually to allow you to use the same account year to year.

Notes

Your child’s school will share with you how to obtain your username and password. Picture identification is required.

You will be prompted to select a new password at first login.

For questions about your account, please contact the school’s Skyward Family Access Administrator.

Each parent or guardian will access information for all of your children through one Family Access Account.

Forgotten Password Instructions

1. Access the [Skyward Family Access Login Page](#).

2. Select **Forgot your Login/Password**.

Note:

WCS employees who have a Family Access account login that is different than their regular Skyward login may use this reset link as well.

3. Enter your **email or username**.

4. Select **Submit**.

5. If a match is found, you will receive an email with a password reset link.
