WCS Middle School Annual Participation Fee Change Justification

Every middle school is at a different place based upon the revenue stream of the zone as well as current funds or the lack of funds. The request for changes in participation fees is not meant to be all inclusive of needs of all major/minor specific sports or activities. Several major/ minor sports have emerged exceptional based upon unique standards. Therefore, those fees have been separated from the major/minor list. Once fee payment is made, no other participation fee for that sport/activity will be assessed by the school. If more expenses are agreed upon through a team booster organization, it is understood fundraising/donations will occur to generate more revenue for each sport/activity to offset costs. The participation fee listed is the maximum paid.
