Enrollments

Course confirmation

- Sent by email per course
- All changes must be made by May 15th (including overrides)
 - Scheduling based on numbers

Offer 16 courses

- Seniors can take as many as work for them
- Underclassman can take up to two credits

Calendar

Follow same school calendar as WCS schools

August 9 - classes begin

- Will include an orientation for the learning platform
- Work rolls out weekly
 - Available Sundays through Saturdays

In-person Meetings

Each course meets in person two times per month

- Schedule released at the beginning of each semester
- Meetings are a required portion of the classes

PE II is the only exception

- Virtual meetings in place of in-person meetings

Success in Online Classes

Stay on schedule with work

- Create a schedule each week to set aside time
- Updates in Skyward and in platform

Communicate with teachers as needed

- Teachers have weekly office hours
- Email teachers or administration as needed
- Schedule school visits whenever help is needed

Must attend in-person meetings

Content and Grading

Online courses follow WCS Scope and Sequence and WCS curriculum

Grades post on transcript as letter grades and factor in GPA

- NCAA approved

Content and Grading

15-day grace period

- Move back to brick-and-mortar if room in schedule and in building
 - Teacher or student can initiate

Overrides will stay

AP test, TN Ready, CCE
